4.1. Setup Responsibilities. All right, title, and interest in and to the Services, and all worldwide Intellectual Property Rights therein and associated therewith, are the exclusive property of Sellify AI and its suppliers. All rights in and to the Services not expressly granted to Customer in this Agreement are reserved by Sellify AI and its suppliers. Except as expressly set forth herein, no express or implied license or right of any kind is granted to Customer regarding the Services, or any part

thereof, including any right to obtain possession of any software, source code, data or other technical material related to the Services.

5.2. Continuous Development. Customer acknowledges that Sellify AI may continually develop, deliver and provide to Customer on-going innovation to the Services in the form of new features, functionality, and efficiencies. Accordingly, Sellify AI reserves the right to modify the Services from time to time. Some modifications will be provided to Customer at no additional charge. In the event Sellify AI adds additional functionality to a particular Service, Sellify AI may condition the implementation of such modifications on Customer's payment of additional fees, provided that Customer may continue to use the version of the Services that Sellify AI makes generally available (without such features) without paying additional fees.

5.3. Feedback. In the event that Customer or its Authorized Users provide any comments or suggestions in connection with the Services, whether written or oral (collectively, the "Feedback"), Sellify AI, in its sole discretion, shall be entitled to use the Feedback without restriction, and such Feedback will not be treated as confidential to Customer. Customer hereby grants Sellify AI, on behalf of itself and its Authorized Users, a worldwide, non-exclusive, irrevocable, perpetual, royalty-free right and license to incorporate the Feedback into Sellify AI products and services.

5.4. Aggregated Data. Sellify AI may collect and derive from Customer Data aggregated data that does not identify Customer, any third-party entity or any natural persons, and use and disclose such aggregated data for Sellify AI's legitimate business purposes, which may include but is not limited to Services improvement, service and product development, research and marketing. Additionally, Sellify AI may collect and review Customer Marketing Content to improve and enhance the Services and for other development, diagnostic and corrective purposes.

## 6. FEES AND EXPENSES; PAYMENTS

6.1. Fees Generally. In consideration for the Services, Customer will pay to Sellify AI the then-current fees set forth in the "Billing" section of Customer's account in the Services unless otherwise set forth in an applicable Service Order (including applicable overages, "Fees"). Your "Billing" Section will be based on the Services you select in the Service Order checkout process, and any features you may voluntary select through our Services. For self-service Customer subscriptions where auto-upgrade billing applies through opt-in or as described during the check-out process, commissions will automatically be charged via the commission rate (as listed on the website per industry), unless otherwise stated via a contract. All contracts and pricing are subject to

change by the discretion of Sellify AI. According to usage, and renewals pursuant to Section 12.1, accounts will renew until canceled through the Services and Account features. Sellify AI shall be entitled to withhold performance and suspend or discontinue the Services until all amounts due are paid in full. In the event of a temporary suspension of Customer's access to the Services, applicable Fees will continue to accrue.

6.2. Fee Increases. Sellify AI will provide Customer fourteen (14) days advance notice for any increase in fees, except with respect to add-ons or premium Services you elect to access through interacting directly with the Services (for example, accessing our Sellify AI Momentum Leads). Any increases to the Fees, except for add-ons described in your Service Order, shall apply at the beginning of the Customer's following Term. Customer's continued use of the Services after a Fee increase will constitute Customer's agreement to the increase in Fees.

6.3. Billing, Invoicing, and Payment Terms. Sellify AI will charge Customer the Fees for the Services in advance for each billing period, in accordance with the elections of Customer in the Service Order. Charges will be ran weekly and processed every Monday in accordance with the Due Date set forth in Customer's Service Order. If a Holiday occurs, billing will take the Friday before the Holiday. All Fees for Services are due and payable in US Dollars and are non-refundable. If Customer is paying by credit card or eCheck, (a) Customer hereby irrevocably authorizes Sellify AI to charge the credit card or other payment method provided for any such amounts when due, (b) amounts due will be automatically charged, (c) if Customer's credit card is declined, Sellify AI will attempt to reach out to Customer for a new payment method, and (d) if Customer's credit card expires, Customer hereby gives Sellify AI permission to submit the credit card charge with a later expiration date. If Sellify AI fails to resolve an issue with Customer resulting from a credit card decline or expiration, Sellify AI may terminate the account due to non-payment. Customer agrees to notify Sellify AI of all billing disputes within fourteen (14) days of delivery of the billing statement or invoice, and disputes not made within that time are waived. Late payments, including those resulting from credit card declines, will accrue interest according to the terms of the Service Order. If Sellify AI must initiate a collections process to recover Fees due and payable hereunder, then Sellify AI shall be entitled to recover from Customer all costs associated with such collections efforts, including but not limited to reasonable attorneys' fees. In the event Sellify AI delivers to Customer an invoice for any Fees or interest payments owed hereunder, such invoiced amounts shall be due upon receipt, unless otherwise set forth in the Service Order.

6.4. Taxes. Given the variable treatment of cloud-based and other technology services throughout the United States, Client will be responsible for all taxes associated with Services other than U.S. taxes based on the Sellify AI's net income.

6.5. Expenses. If pre-approved by Customer in a Service Order, Customer shall reimburse Sellify AI for reasonable out-of-pocket expenses (including travel and living) incurred in performing its obligations for specific Services under such Service Order. All costs and expenses incurred by Customer in connection with this Agreement are the sole responsibility of Customer.

## 7. CUSTOMER DATA AND RESPONSIBILITIES

7.1. Customer Data. Customer Data, and all worldwide Intellectual Property Rights therein, is, as between Sellify AI and Customer, the exclusive property of Customer. Customer grants Sellify AI a non-exclusive, sublicensable, transferable, worldwide, royalty-free and fully paid license to process and use the Customer Data as necessary for purposes of providing the Services and as otherwise permitted in this Agreement. Customer shall have the ability to retrieve or export Customer Data out of the Services using the self-service tools Sellify AI makes available to the Customer. Customer is encouraged to make its own back-ups of the Customer Data. Customer shall have the sole responsibility for the accuracy, quality, integrity, legality, reliability, and appropriateness of all Customer Data and the means by which Customer acquired Customer Data, and for the adequate security, protection and backup of Customer's Data.

7.5. Customer Communications. Customer shall comply with all applicable laws and regulations applicable to Customer's use of the Services, including Customer Communications and Customer Marketing Content, which laws and regulations shall include but not be limited to (a) any applicable laws that govern online promotions, offers, gift cards, coupons, and/or gift certificates, data privacy and protection, intellectual property, the sending of electronic marketing messages and the sending of SMS and/or MMS text messages and (b) laws and regulations that apply to commerce, in each jurisdiction in which Customer will be sending marketing communications to a resident of the jurisdiction. Customer acknowledges and agrees that Sellify AI (y) does not control or monitor Customer Communications, or guarantee the accuracy, integrity, security or quality of such Customer Communications and (z) is not responsible for obtaining any necessary consents or permissions from recipients of Customer Communications. Upon request, Customer shall provide reasonable proof of compliance with the provisions set forth in this Section and Sellify AI shall have no obligation to provide Services where Sellify AI reasonably believes that Customer has not so complied.

#### 7.8. Use of Artificial Intelligence

Sellify AI employs artificial intelligence ("AI") technologies to create dynamic conversations and enhance user engagement and experience. These AI-driven services enable the automation of conversational interactions, providing more personalized and responsive communication with end users. This includes clearly disclosing in their privacy policies, terms of service, or any relevant consent forms, that AI is used to generate dynamic conversations and may involve the processing of personal data as necessary for the AI to function effectively.
- **Data Use and Privacy Compliance:** Customer is responsible for ensuring that the use of AI technologies in connection with the Services complies with all applicable laws, regulations, and guidelines related to data privacy and protection (in light of Customer's capacity as the data controller of its Customer Data and information). This includes, but is not limited to, obtaining all necessary consents from end users for the collection, use, and processing of their data by AI technologies and Sellify AI as part of the Services.
- **AI Ethics and Fair Use:** Customer commits to using the AI-enabled Services in an ethical manner, ensuring that the use of AI does not lead to discrimination, bias,

or unfair treatment of individuals. Customer further agrees not to use the AI to generate unlawful, harmful, or inappropriate content.

Sellify AI is committed to the responsible and ethical use of AI technologies and expects the same commitment from its Customers. Sellify AI reserves the right to review and monitor the use of its AI technologies to ensure compliance with this Agreement and applicable laws and regulations.

By using the Services, Customer represents and warrants that they have implemented the necessary measures to meet these requirements and will promptly notify Sellify AI of any known or suspected issues related to the use of AI technologies in accordance with this section.

8.2. Customer Representations and Warranties. Customer represents and warrants that: (i) Customer has a legally sufficient privacy policy that is made available to end customers and prospects prior to their provision of any Customer Personal Data to Customer or Sellify AI; (ii) the Customer Data and use of the Customer Data (a) will not infringe, misappropriate, or otherwise violate the Intellectual Property Rights or other rights of any third party, (b) will not constitute defamation, invasion of privacy or publicity, or otherwise violate any similar rights of any third party, and (c) will not be used in any activity in violation of the law or to promote such activities, including, without limitation, in a manner that might be illegal or harmful to any person or entity; (iii) it will not distribute, share, or facilitate the distribution of unauthorized data, malware, viruses, Trojan horses, spyware, worms, or other malicious or harmful code; and (iv) Customer will comply with and will at all times honor the terms and conditions of any online coupon or similar marketing offer, deal or advertisement to market Customer's products and services offered or otherwise promoted via the Services.

8.3. Limited Warranty. Sellify AI warrants that the Services, when used in accordance with the terms of this Agreement, will perform substantially in accordance with the Documentation during the term of this Agreement. The foregoing warranty shall not apply to performance issues of the Services resulting from (i) content provided by or

passed through Customer or third parties in connection with the Services (including Customer Data); (ii) Customer's data structures, operating environment, equipment or other technology; (iii) the use or combination of the Services with any other software, services or hardware not supported by Sellify AI; (iv) causes external to the Services, such as problems with the hardware, network or other infrastructure with which the Services are used; (v) unauthorized or improper use of the Services; or (vi) any modification of the Services by Customer or its Authorized Users. Provided that Customer notifies Sellify AI in writing of any breach of the foregoing warranty during the term of this Agreement, Sellify AI shall, as Customer's sole and exclusive remedy, use commercially reasonable efforts to correct such non-conformance and if Sellify AI fails to remedy the non-conformity, Customer may terminate the Agreement.

8.4. Disclaimer. THE LIMITED WARRANTY SET FORTH IN SECTION 8.3 IS MADE FOR THE BENEFIT OF CUSTOMER ONLY. EXCEPT AS EXPRESSLY PROVIDED IN SECTION 8.3 AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, THE SERVICES (INCLUDING THE DOCUMENTATION) ARE PROVIDED "AS IS," AND SELLIFY AI MAKES NO (AND HEREBY DISCLAIMS ALL) OTHER WARRANTIES, REPRESENTATIONS, OR CONDITIONS, WHETHER WRITTEN, ORAL, EXPRESS, IMPLIED, OR STATUTORY, INCLUDING, WITHOUT LIMITATION, ANY IMPLIED WARRANTIES OF SATISFACTORY QUALITY, COURSE OF DEALING, TRADE USAGE OR PRACTICE, MERCHANTABILITY, TITLE, NONINFRINGEMENT, OR FITNESS FOR A PARTICULAR PURPOSE, WITH RESPECT TO THE USE, MISUSE, OR INABILITY TO USE THE SOFTWARE, DOCUMENTATION, OR SERVICES (IN WHOLE OR IN PART) OR ANY OTHER PRODUCTS OR SERVICES PROVIDED TO CUSTOMER BY SELLIFY AI, AND ANY OFFERS. WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, SELLIFY AI DOES NOT WARRANT THAT THE SERVICES WILL MEET CUSTOMER'S REQUIREMENTS OR OPERATE WITHOUT INTERRUPTION OR DOWNTIME OR BE ERROR FREE. SOME STATES AND JURISDICTIONS DO NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES OR CONDITIONS OR LIMITATIONS ON HOW LONG AN IMPLIED WARRANTY LASTS, SO SOME OF THE ABOVE LIMITATIONS MAY NOT APPLY TO CUSTOMER.

## 9. LIMITATION OF LIABILITY

9.1. Limitation of Liability. TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL SELLIFY AI, NOR ANY OF ITS AFFILIATES, SUBCONTRACTORS, LICENSORS, VENDORS OR SUPPLIERS, NOR ANY OF ITS THIRD PARTY PARTNERS, BE LIABLE TO CUSTOMER OR ANY OTHER THIRD PARTY FOR LOST REVENUES, LOST PROFITS OR OTHER SPECIAL, INCIDENTAL, INDIRECT, PUNITIVE, CONSEQUENTIAL, RELIANCE OR EXEMPLARY DAMAGES

ARISING FROM CUSTOMER'S OR ANY OTHER THIRD PARTY'S USE OF OR INABILITY TO USE THE SERVICES INCLUDING, BUT NOT LIMITED TO, LOSS OF TECHNOLOGY, LOSS OF DATA OR INTERRUPTION OR LOSS OF USE DAMAGES WHETHER OR NOT SELLIFYAI HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGE OR LOSS. THE MAXIMUM AGGREGATE LIABILITY OF SELLIFYAI, ITS LICENSORS AND VENDORS ARISING OUT OF OR IN CONNECTION WITH THIS AGREEMENT, WHETHER IN CONTRACT, TORT (INCLUDING NEGLIGENCE, STRICT LIABILITY OR OTHERWISE), SHALL NOT EXCEED THE ACTUAL FEES PAID BY CUSTOMER FOR THE SERVICE FOR THE SIX (6) MONTH PERIOD IMMEDIATELY PRECEDING THE INITIAL EVENT GIVING RISE TO LIABILITY HEREUNDER, LESS ANY DAMAGES PREVIOUSLY PAID BY SELLIFY AI TO CUSTOMER IN THAT SIX (6) MONTH PERIOD.

9.2. Basis of the Bargain. The parties agree that the limitations of liability set forth in this Section 9 shall survive and continue in full force and effect despite any failure of consideration or of an exclusive remedy. The parties acknowledge that the Fees have been set and the Agreement entered into in reliance upon these limitations of liability and that all such limitations form an essential basis of the bargain between the parties.

## 10. CONFIDENTIALITY

10.1. Confidential Information. During the term of this Agreement, each party (the "Disclosing Party") may provide the other party (the "Receiving Party") with certain information regarding the Disclosing Party's business, technology, products, or services, or other confidential or proprietary information (collectively, "Confidential Information") in whatever form (written, oral or visual) that is furnished or made available to the Receiving Party by or on behalf of the Disclosing Party that (a) if in tangible form, the Disclosing Party has labeled in writing as proprietary or confidential, (b) if in oral or visual form, the Disclosing Party has identified as proprietary or confidential at the time of disclosure, or (c) is of a character that is commonly and reasonably regarded as confidential and/or proprietary. For the avoidance of doubt, the Services, Documentation, and all enhancements and improvements thereto (and underlying proprietary rights or protected features), will be considered Confidential Information of Sellify AI.

10.2. Protection of Confidential Information. The Receiving Party agrees that it will not use or disclose to any third party any Confidential Information of the Disclosing Party, except for exercising its rights and performing its obligations under this Agreement. The Receiving Party will limit access to the Confidential Information to its employees and contractors who have a need to know, who are subject to confidentiality obligations no less restrictive than those set forth herein and who have been informed of the

confidential nature of such information. In addition, the Receiving Party will protect the Disclosing Party's Confidential Information from unauthorized use, access, or disclosure in the same manner that it protects its own proprietary information of a similar nature, but in no event with less than reasonable care. At the Disclosing Party's request or upon termination of this Agreement, the Receiving Party will return to the Disclosing Party or destroy (or permanently erase in the case of electronic files) all copies of the Confidential Information that the Receiving Party does not have a continuing right to use under this Agreement, and, upon request, the Receiving Party shall provide to the Disclosing Party written notice certifying compliance with this sentence, unless prohibited by applicable law.

10.3. Exceptions. The confidentiality obligations set forth in this section will not apply to any information that: (a) is or becomes generally available to the public through no fault of the Receiving Party; (b) is lawfully provided to the Receiving Party by a third party free of any confidentiality duties or obligations; (c) the Receiving Party can prove, by clear and convincing evidence, was already known to the Receiving Party without restriction at the time of disclosure; or (d) the Receiving Party can prove, by clear and convincing evidence, was independently developed by employees and contractors of the Receiving Party who had no access to the Confidential Information. In addition, the Receiving Party may disclose Confidential Information to the extent that such disclosure is necessary for the Receiving Party to enforce its rights under this Agreement or is required by law or by the order of a court or similar judicial or administrative body, provided that the Receiving Party promptly (to the extent legally permitted) notifies the Disclosing Party in writing of such required disclosure and reasonably cooperates with the Disclosing Party if the Disclosing Party seeks an appropriate protective order.

10.4. Remedies. Any breach or threatened or attempted breach of this Section 10 may result in immediate, irreparable harm for which monetary damages would be an inadequate remedy. If a court of competent jurisdiction finds that the Receiving Party has breached (or attempted or threatened to breach) any of the obligations set forth in this Section 10, the Receiving Party agrees that, without any additional findings of irreparable injury or other conditions to injunctive relief, it will not oppose the entry of an appropriate order compelling its performance and restraining it from any further breaches (or attempted or threatened breaches).

## 11. INDEMNIFICATION

11.1. By Sellify AI. Sellify AI will defend at its expense any suit brought against Customer, and will pay any settlement Sellify AI makes or approves, or any damages finally awarded in such suit, insofar as such suit is based on a claim by any third party alleging that the Services infringe or misappropriate any Intellectual Property Rights in

the jurisdictions in which Sellify AI operates. If any portion of the Services becomes, or in Sellify AI's opinion is likely to become, the subject of a claim of infringement, Sellify AI may, at Sellify AI's option: (a) procure for Customer the right to continue using the Service; (b) replace or modify the Services to be non-infringing without materially impairing the functionality of the Services; or (c) terminate this Agreement and refund to Customer the pro-rated portion of any prepaid fees attributable to any unused Services, and upon such termination, Customer will immediately cease all use of the Services.
